FROM THE EXECUTIVE DIRECTOR

Because of God's Work, Lives Were Transformed in 2024!

This year, we've seen God's hand move powerfully through Care Net Pregnancy Center. Lives have been saved, families have been strengthened, and hope has been restored. Women in crisis have discovered courage, young men have stepped into fatherhood with purpose, and the Gospel has taken root in hearts once burdened by fear and uncertainty.

None of this would be possible without our faithful champions, those who give, serve, and pray. Your support makes it possible for us to meet practical needs while offering the eternal hope found only in Christ. Every hour volunteered, every dollar given, and every prayer whispered have made an eternal impact.

We are reminded of Galatians 6:9: "Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up." Thank you for standing with us. Together, we are planting seeds of life, love, and transformation.

FROM THE BOARD PRESIDENT

2024 was a historic year for Care Net! I'm filled with pride reflecting on the many positive accomplishments we've made at the center. Here are a few of my favorites:

- We celebrated 40 years as a ministry! This milestone allowed us to reflect on our history and the meaningful impact we've had in Indian River County.
- Just under 5,000 visits by 475 families.
- Approximately 80,000 diapers for babies.

I am so thankful for each church, prayer partner, volunteer, employee, and donor that worked together to expand the ministry and serve more clients this year. We thank God for all He accomplished in 2024. We look to 2025 with even greater hope because of the many ways we experienced God during 2024.
